Tim Jones' Charity Golf Classic Fundraiser

Not-for-profits are facing an uncertain year ahead with many events and revenue streams being cancelled again due to the pandemic. This is true for CHATS' annual charity golf tournament that was scheduled for September 13th 2021.

The need to access drives, groceries, prescriptions, nutritious meals, and emotional support by the vulnerable senior population of York Region has never been more necessary. This is not only true at present, but will continue to be the case throughout the coming year as seniors feel the lingering impact of the pandemic.

We rely on your support through our annual golf event. This year, we cannot golf "tournament style" but can get golfers out on the links and supporting seniors at the same time. Your support is needed more than ever! We look forward to golfing alongside you again next year!
