# BENEFITTING SOCIAL WELLNESS PROGRAMS

## Event Impacts

CHATS has been combating the effects of social isolation for decades. Over 8,500 seniors and caregivers are supported by CHATS programs and service through high-quality, person-centered home and community support services. Seniors can grow with CHATS as their needs change and the level of care required increases.

## Event Reach

Having incredible community-minded and generous friends, like the CHATS Board Vice-Chair Colleen Jones, gives the community an opportunity to be social while combating the impacts of social isolation on seniors and older adults within our community. Our goal is to bring on the bubbles and raise \$20,000 to support the health and wellness of seniors in our community through CHATS programming and services.
