# BENEFITTING SOCIAL WELLNESS PROGRAMS

## Event Impacts

CHATS has been combating the effects of social isolation for decades. Over 8,500 seniors and caregivers are supported by CHATS programs and service through high-quality, person-centered home and community support services. Seniors can grow with CHATS as their needs change and the level of care required increases.

## Event Reach

In recognition of your donation, we will display how your organization supports CHATS and the community. We reach over 5000 families, volunteers, vendors, stakeholders and community partners through our website and social media. Our goal is to raise \$20,000 to support the health and wellness of seniors in our community through CHATS programming and services.
