

Richmond Hill Adult Day Program-Specialized Cognitive Program

Older adults and persons (18+) who have cognitive impairment

Service Description: A full-day community-based program, offering respite to caregivers and providing older adults and persons with age related conditions with individualized plans of care. The program includes a variety of social and wellness activities, companionship, nutritious snacks, and lunch, in a safe, friendly, and caring environment while addressing social isolation for older adults. Activities include exercise, mental stimulation, crafts, relaxation programs, entertainment, health promotion, and disease prevention. Programs are also being offered virtually.

Service Provider(s): Specially-trained, multi-disciplinary teams that include a Program Supervisor, Recreation Programmers, Personal Support Workers, trained volunteers and Gerontology/Recreation students.

Persons Served: Older adults or persons with mild to moderate dementia or other cognitive impairment (without behaviours that may be a risk to themselves or others).

- Eligibility:**
- Person served is 18 years of age or older with a diagnosis of dementia or other cognitive impairment.
 - Person served or substitute decision maker consents to participate in an initial (and regular follow up) RAI CHA evidence based assessment to determine individualized care needs and develop a care plan and goals.
 - Person served lives in the community and benefits from supervision during the day
 - Person served requires minimal assistance with activities of daily living (e.g. meal, toileting and transfers - maximum one-person transfer)
 - Person served may have caregiver who requires respite
 - Person served will benefit from friendly, interactive, stimulating recreation programming
 - Person served adheres to our personal support worker administered medication program with a recognized medication compliance system (pre-poured system – e.g. blister package)

Limitations: Persons with dementia who have responsive behaviors; persons who require more than one personal support worker for transfers/personal care.
