

Adult Day Program – Arirang

Integrated Program: Frail and Mild to Moderately Cognitively Impaired Seniors

Service Description: A full-day, culturally centered, community-based program, offering respite to caregivers and providing older adults with individualized and planned activities. The program includes a variety of social and wellness activities, companionship, nutritious snacks, and lunch, in a safe, friendly, and caring environment. The program addresses social isolation for older adults. Activities include exercise, mental stimulation, crafts, outings, relaxation programs, entertainment, health promotion, and disease prevention.

Service Provider(s): Specially trained, multi-disciplinary teams that include a Program Supervisor, Recreation Programmers, Personal Support Workers, and trained volunteers.

Persons Served: Older adults, from the Korean community, who are frail, socially isolated, and/or may have mild to moderate cognitive impairment (without behaviours that may be a risk to themselves or others) and who could benefit from a secure environment. Adults with an age-related illness who could benefit from therapeutic recreation, personal support and structured, goal-oriented programming.

- Eligibility:**
- Person served is 18 years of age or older with an age-related illness
 - Person served lives in the community and benefits from supervision during the day
 - Person served requires minimal assistance with activities of daily living (e.g., meal, toileting, and transfers - maximum one-person transfer)
 - Person served will benefit from a friendly, interactive, stimulating recreation programming
 - Person served is able to adhere to our personal support worker administered medication program with a recognized medication compliance system (pre-dispensed system – e.g., blister package)

Limitations: Older adults with dementia who have behaviours that may be a risk to themselves or others; persons who require more than one personal support worker for transfers/personal care.
