

Bradford Adult Day Program

Frail, Socially Isolated, Mild Cognitive Impairment, or diagnosed with an age-related illness.

Service Description: A full-day community-based program, offering respite to caregivers and providing older adults with individualized and planned activities. The program includes a variety of social and wellness activities, companionship, nutritious snacks, and lunch, in a safe, friendly, and caring environment. The program addresses social isolation for older adults. Activities include exercise, mental stimulation, crafts, outings, relaxation programs, entertainment, health promotion, and disease prevention.

Service Provider(s): Specially trained, multi-disciplinary teams that include a Program Supervisor, Recreation Programmers, Personal Support Workers, trained volunteers, and Gerontology/Recreation students.

Persons Served: Older adults who are frail, socially isolated, and/or may have mild to moderate cognitive impairment (without behaviours that may be a risk to themselves or others) and who could benefit from a secure environment. Adults with an age-related illness who could benefit from therapeutic recreation, personal support and structured, goal-oriented programming.
