

Richmond Hill Adult Day Program-Specialized Cognitive Program

Older adults and persons (18+) who have cognitive impairment

Service Description: A full-day community-based program, offering respite to caregivers and providing older adults and persons with age related conditions with individualized plans of care. The program includes a variety of social and wellness activities, companionship, nutritious snacks, and lunch, in a safe, friendly, and caring environment while addressing social isolation for older adults. Activities include exercise, mental stimulation, crafts, relaxation programs, entertainment, health promotion, and disease prevention. Programs are also being offered virtually.

Service Provider(s): Specially trained, multi-disciplinary teams that include a Program Supervisor, Recreation Programmers, Personal Support Workers, trained volunteers and Gerontology/Recreation students.

Persons Served: Older adults or persons with mild to moderate dementia or other cognitive impairment (without behaviours that may be a risk to themselves or others).

- Eligibility:**
