An evening in

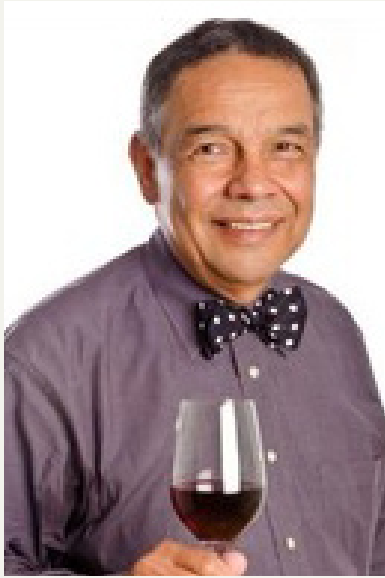

PARIS

An evening in
PARIS

Step into the charm of Paris for Bubbles & Smiles
– An Evening in Paris, a night where delectable French cuisine and the finest champagnes come together in an enchanting ambiance reminiscent of Hemingway's favorite city. As Ernest Hemingway said, "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a moveable feast."

Immerse yourself in a sommelier-tutored tasting
– a light-hearted and interactive journey through the sparkling world of champagne. Your support will help older adults in our community live life on their terms, with grace and dignity. Together, we can create a future as vibrant and joyful as this unforgettable evening.

BENEFITTING SOCIAL WELLNESS PROGRAMS

Event Impacts

CHATS has been combatting the effects of social isolation for decades. Over 8,500 seniors and caregivers are supported by CHATS programs and service through high-quality, person-centered home and community support services. Seniors can grow with CHATS as their needs change and the level of care required increases.

Event Reach

Having incredible community-minded and generous friends, like the CHATS past Board Vice-Chair Colleen Jones, gives the community an opportunity to be social while combatting the impacts of social isolation on seniors and older adults within our community. Our goal is to bring on the bubbles and raise \$40,000 to support the health and wellness of seniors in our community through CHATS programming and services.
