

Richmond Hill Adult Day Program- Frail Program

Older adults and persons (18+) who have frailty or diagnosed with an age-related condition

Service Description: A full-day community-based program, offering respite to caregivers and providing older adults and persons with age related conditions with individualized plans of care. The program includes a variety of social and wellness activities, companionship, nutritious snacks, and lunch, in a safe, friendly, and caring environment while addressing social isolation for older adults.

Activities include exercise, mental stimulation, crafts, relaxation programs, entertainment, health promotion, and disease prevention. Programs are also being offered virtually.

Service Provider(s): Specially trained, multi-disciplinary teams that include a Program Supervisor, Recreation Programmers, Personal Support Workers, trained volunteers, and Gerontology/Recreation students.

Persons Served: Older adults who are frail and who could benefit from a secure environment and adults with an age-related illness who could benefit from therapeutic recreation, personal support, and structured, goal-oriented programming.
